

User Stories - Assignment 1

User Registration and Authentication

- As an unregistered user, I want to create an account so that I can join the platform and access all features.

User Login

- As a registered user, I want to log in securely so that I can manage my account and maintain my personalized experience.

Image Uploading

- As a registered user, I want to upload images with descriptions and relevant hashtags so that I can share my content and make it discoverable.

Profile Viewing

- As a registered user, I want to view my public profile with all my uploaded images and activity statistics so that I can track my contributions and engagement.

Social Interaction – Liking

- As a registered user, I want to like images so that I can show appreciation for content that I enjoy.

Social Interaction – Commenting

- As a registered user, I want to comment on images so that I can provide feedback and engage in discussions with other users.

Content Discovery via Hashtags

- As a user, I want to search and filter images by hashtags so that I can easily find content that matches my interests.

Exploring Other Profiles

- As a registered user, I want to browse other users' profiles so that I can discover new content and connect with like-minded individuals.
